

DANCE DISCOVERY PROGRAM, 2010

A dance intensive for beginners and advanced beginners ages 9+

A fun and adventurous expedition into the exciting, engaging, and rewarding world of dance. Through the daily study of traditional dance technique (Ballet, Modern, Jazz), dance composition, improvisation, and multi cultural dance forms participants will explore and develop their individual movement vocabulary while expanding their knowledge of dance. Emphasis will be placed on experiencing dance not only as a performing art, but as a means of communication capable of bridging cultures and inspiring the distinctive expressions of an emerging artist.
